## ABOUT US

# WHO WE ARE

At DMC Service Group, we all come to work every day to do one thing...to create...but we don't just create shipping racks.

We create **quality-based value** in our products through our efforts to be the best in the business.

We create **solutions** to the inevitable hiccups that occur in the packaging industry.

We create **piece-of-mind** and **trust** with our customers through constant communication and attention to detail.

We've created a family at DMC that we're unapologetically proud of, and hope that over 45 years of service to our customers will let us create a satisfied customer in you....
